FUNDRAISING BASICS

Workshop for Third Sector Fundraisers

Wednesday 24th February 2010, 5.30pm – 8.30pm
Foresight offices, Freeman Street, Grimsby

This evening workshop will introduce those responsible for fundraising in local third sector organisations to a wide variety of fundraising techniques and the resources and support available.

FREE workshop *

This workshop is organised jointly by the **Third Sector Hub** and the **Fundraising Plus** project, and aims to encourage North East Lincolnshire based voluntary and community groups to move away from dependency on small, local grants and to look towards a wider range of income generating options.

Organisations should not need to continually look for grants to support their work, and it's recognised that procurement & commissioning is not for everyone. Funding can be raised through a variety of methods, including more traditional fundraising and income earning routes.

This workshop will tackle funding jargon, explore fundraising methods and legal issues, look at resources to help find funding or support and help you develop a plan for fundraising.

If your voluntary or community groups needs a fresh look across the fundraising options available to you, then this session is for you.

* Places will be limited and booking is essential. Light buffet provided on arrival. Max 2 places per organisation. Free places only open to third sector organisations based in North East Lincolnshire and booking in advance. £20 administration fee charged in all other cases and for no-show bookings.

The training workshop will be repeated on:
Monday 24th May, Monday 6th September, Thursday 9th December

To book or for more information contact:
Charlotte Markham, Third Sector Hub Training Administrator

FUNDRAISING BASICS will be delivered by Helen Howard of the **Fundraising Plus** project based at **VANEL**, funded via **Big Lottery** and led through **HANA**. (www.fundraisingplus.net)
The workshop is organised and managed by the **Third Sector Hub** (www.thirdsectorhub.org.uk) also based at **VANEL** (www.vanel.org.uk) and part-funded through **Yorkshire Forward**.
