Thursday 29th April
6pm - 9pm

Fishing Heritage
Centre
Alexandra Dock
Grimsby
DN31 1UZ

Map <http://bit.ly/cSLW8A>

Find out how **Facebook**, **Twitter** and **Blogs** can help you with marketing, recruitment and fundraising from a number of geeky (but friendly) experts.

There is also an opportunity to find out about the **Digital 20/20 Transformational ICT Programme**.

The evening will consist of **one-to-one** sessions and a short quiz about how you currently use ICT in your business.

You don't need any previous knowledge to take part and there won't be any lectures.

The event is **free** and there will be light refreshments including drinks, tea and coffee.

To register for a place please use:
