

VOLUNTEERING

CAN YOU HELP US MAKE IT EVEN BETTER ?

VOLUNTEERING IMPROVEMENT FORUM

THURSDAY 2 DECEMBER

Grimsby Neighbourhood Centre, Grimsby
2pm – 4.30pm (lunch from 1.30pm)

Do you manage or co-ordinate volunteers ?
Are you one of the 42% nationally who have not had enough training in managing volunteers ?
Does your organisation value volunteering but would like to see even more improvement ?

Join us on 2 Dec for a workshop forum and discussion to help the North East Lincolnshire Volunteer Centre help you and others by taking support for volunteering in the borough to a new level.

We'll look at the challenges that managing and coordinating volunteering poses.

We'll also revisit the benefits and ask what a 'perfect' volunteering organisation might look like.

We explore making volunteering more accessible and how we can apply 'standards' of quality in managing volunteers.

Importantly, we'll use this meeting to help us create and deliver a training programme over the next few months that you and your organisation will be able to take advantage of. You'll also get to meet other volunteer coordinators to network with each other, share experiences and advice.

The workshop will be facilitated by John Mooney, Manager of the North East Lincolnshire Volunteer Centre.

To confirm your attendance please contact Vicky Hardy or Emma Mathias at VANEL on 01472 231123.

This is a workshop from Voluntary Action North East Lincolnshire (www.vanel.org.uk) delivered as part of the new Humber Volunteer Managers Network (www.volunteeringhumber.co.uk) and sponsored through the Humber Improvement Programme.
